Laboratory Statement
Caldwell, ID WWTP
EPA Lab Code: ID00949
NPDES Permit: ID0021504

I certify that this data complies with requirements under 40 CFR §136 and other analytical requirements specified in NPDES permit ID0021504.

Following an email conversation with Maria Lopez (EPA) December 20, 2016, we used the 1985 EPA *NPDES Self-Monitoring System User Guide* as a guide for performing our DMR calculations per her suggestion, with the exception of following the 22nd Edition *Standard Methods for the Examination of Water and Wastewater* rules for rounding and significant figures (SM 1050).
