

CONSTRUCTION UPDATE

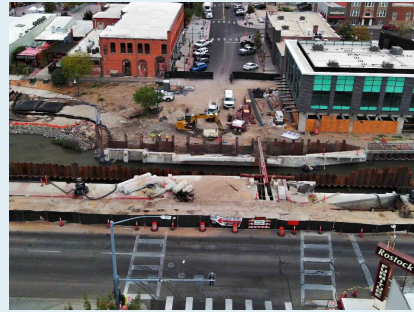

Kimball Bridge Update

This week crews continue to form the bridge abutment on the north side of Indian Creek.

What to expect:

- Lane closures along Blaine Street will continue during the week (Monday-Friday) from 7 a.m. to 5 p.m. through October 2.
- One lane on Blaine Street will remain open.

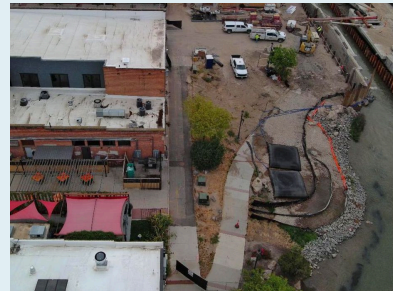

Kimball Mini Plaza and Alleyway Update

This week we are finishing the pavement between Kimball and 9th Street.

Near the plaza alleyway, crews are excavating for the string light poles and prepping for new alleyway concrete.

The Kimball Plaza and alleyway project is expected to wrap up in November.

SAFETY REMINDER

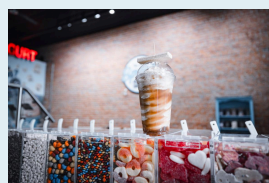

Please do not move fencing or enter fenced off construction areas as excavation could present hazards.
