The alleyway between Kimball and 9th Street is complete! Thank you all for your patience during construction.

Crews will continue to work on the plaza alleyway behind Grit 2C and Chop Shop.

Here's what to expect:

- Crews plan to finish forming the alley for concrete and pave by the middle of next week.
- Paver sections will be completed and the alley will reopen for pedestrian use the following week.

The Kimball Plaza and alleyway project is expected to wrap up in November.

SAFETY REMINDER

Please do not move fencing or enter fenced off construction areas as excavation could present hazards.
