

CONSTRUCTION UPDATE

Kimball Bridge Update

Over the next couple weeks crews will continue to place large rocks (rip rap) in Indian Creek. In addition, crews will be relocating utility lines near the creek.

In late June, crews plan to bring in a large crane on the south side of the creek for shoring work.

SAFETY REMINDER

The Kimball Bridge is **fully closed**. Please do not enter the work zone.

There is active construction equipment in the area and closures are in place to help keep everyone safe.

THANK YOU!
