

# CONSTRUCTION UPDATE

## Kimball Bridge Update

Later this week, crews will be onsite continuing to install large rocks (rip rap). Crews will bring in a large crane for shoring work beginning the week of June 22. Here is what to expect in late June:

- Blaine Street will only have one lane open for approximately two weeks (two lanes will be closed).
- Work will be noisy during the daytime.

Please remember, there are **MANY** ways to access Indian Creek Plaza.
