To Whom it May Concern:

Mr. Marquez requests a special use permit to operate his pallet business. He plans to use the property to make, repair, and sell pallets. He is requesting that he receive a special use permit for outdoor storage, and a special use permit to build a ten-foot fence. This permit is required to allow him to continue his business.

If permitted, Mr. Marquez plans to install a ten-foot fence around the property. He will keep the pallets below the fence line and will not stack them to exceed the height of his fence. He will use approved materials to construct the fence and is preparing to apply for a building permit to build a warehouse (office space) and fence. He is applying for a special use permit for the fence, and for outdoor storage and for the construction of a ten-foot fence made of metal. He plans to pave the driveway to the property and subdivide the residential property from the pallet yard.

A neighborhood meeting is being conducted related to this project to discuss neighborhood concerns, if any.

This neighborhood meeting shall be held on the subject property at 3417 E Chicago, Caldwell, Idaho on October 30th at 10:00 a.m.
