COMPREHENSIVE PLAN WORKSHOP
SUMMARY**

**City of Caldwell
Planning and Zoning Department
Community meeting - Comprehensive Plan Workshop
Community room Caldwell PD
May 8, 2019
7:00 pm - 8:15 pm**

Notice was published on April 14 & 21, 2019

The comprehensive plan and map was posted on the City of Caldwell/PZ web site on April 1

Staff present: Jerome and Lori

Materials available for review – 3 Comprehensive plan maps and one hard copy of comprehensive.

Format would be determine by the number of people in attendance.

Attendees:

Arline Devlin and Dana Devlin – Property owners (current in the Nampa ACI and may want to be in the Caldwell ACI).

Liisa Itkonen - COMPASS – suggested bike paths along the rail corridor adjacent to the Devlin property.

Tricia Nilsson – Planning Director, Canyon County Development Services, consider adding land in the vicinity of the exit 25 interchange. Middleton ACI is located on the north side of the interchange. No municipality has requested an ACI designation on the south side.

Ryan Canton visited with Jerome two week prior and stated that his client wants 204.292 acres placed back in the Caldwell's AIC. (Brian look it out during the first draft of the comprehensive plan map.)

Mary Jane Marlow, (email) questioned some of the terms. She wanted the city to hire a city forester.
