BIG IDEAS GROW HERE.

Caldwell Overview
Big ideas grow here.

“The City of Caldwell is one of the fastest-growing communities in the Intermountain West. When you consider Caldwell's prime location, diverse transportation connections, proximity to Boise and the Pacific Northwest market, low-cost land, abundant workforce, and pro-business attitude, you will find we offer a great location for doing business... and doing it well!”

—Mayor Garret Nancolas
HEALTHCARE AND SAFETY SERVICES

West Valley Medical Center:
One of only two hospitals in Idaho named among the nation’s 100 Top Hospitals® by Truven Health Analytics™, West Valley Medical Center’s 150-bed, nationally accredited facility provides high-quality healthcare to Treasure Valley residents.

Caldwell Fire & Rescue:
Our first responders serve 22 square miles within the City and 120 square miles in rural areas.

Caldwell Police Department:
With 70 sworn officers, the police department includes bicycle and canine officers.

EDUCATION

The College of Idaho:
The state’s oldest private college, the campus with an average enrollment of 1,000 boasts seven Rhodes Scholars, 12 Truman & Goldwater Scholars, three Governors, and is ranked No. 1 among Idaho’s colleges and universities on Forbes list of “America’s Top Colleges.”

Treasure Valley Community College (TVCC)-Caldwell:
A satellite campus of Oregon’s TVCC has provided a progressively diverse range of courses to southwest Idaho residents since 2003. Students at the Caldwell Center are typically enrolled in courses leading to a degree, with the majority of students planning to transfer to a four-year college or university in Idaho or Oregon.

College of Western Idaho:
Also, 10 miles away from Caldwell is the College of Western Idaho (CWI). One of the fastest-growing community colleges in the nation, CWI offers a 4-year track as well as professional and technical programs.

Caldwell School District:
Six elementary schools, two middle schools, one high school, and one alternative high school serve the children of Caldwell. The current enrollment of Caldwell High School is approximately 1,357 students.

Vallivue School District:
The surrounding unincorporated areas are served by the six elementary schools, two middle schools, two high schools, one alternative school and two online academies. The current enrollment of Vallivue High School is approximately 1,180 students and the brand new Ridgevue High School houses over 1,246.
Sunnyslope Wine Trail: Sunnyslope is the most picturesque area of the nationally recognized Snake River Wine Region and home to the state’s oldest wineries and vineyards.

Lake Lowell: Home to U.S. Fish and Wildlife’s Deer Flat National Refuge, the lake is a popular recreation destination for boating, swimming, fishing, hiking and hunting.

Snake River Canyon Scenic Byway: This 53-mile drive along the Snake River provides scenic vistas and photo opportunities of wineries, vineyards, orchards, petroglyphs, the Deer Flat Wildlife Refuge, and farmland.

Caldwell City Parks: Residents and visitors alike enjoy 13 parks totaling over 320 acres including approximately six miles of trails that weave through parks, schools, and other attractions.

Canyon County Fair: You might guess that Canyon County—one of the nation’s premier agriculture areas—has one of the best fairs around, and you would be right. For more than 125 years, the Caldwell tradition has entertained visitors from around the state with concerts, carnivals and home-grown goodness.
DOING BUSINESS IN CALDWELL

City of Caldwell Red Carpet Team:
The City of Caldwell Development Services departments prioritize basic-sector projects and expedite all permits and inspections. The plan review team also closely scrutinizes plans to assure the most cost-efficient building and site available.

Destination Caldwell:
Destination Caldwell is a 501(c)(3) non-profit organization whose mission is to reclaim and rebrand Caldwell as Idaho’s premier gathering place with a focus on locally produced wines along the Sunnyslope Wine Trail, market fresh goods, and farm to fork dining.

Caldwell Urban Renewal Agency:
The Caldwell Urban Renewal Agency (CURA) promotes development and redevelopment efforts both downtown and throughout the district to create desirable locations for homeowners, small businesses, and corporate development.

Foreign-Trade Zone 280:
The U.S. Department of Commerce has granted Southwest Idaho Manufacturers’ Alliance (SWI-MA) the authority to establish and administer Foreign-Trade Zone (FTZ) 280 under the Alternative Site Framework. With the magnet site located in Caldwell, the new FTZ provides significant benefits to both business and the community at large and has a major impact on the commerce and development of southwest Idaho.

Southwest Idaho Manufacturers’ Alliance (SWI-MA):
This 501(c)6 corporation is a grassroots effort developed to support a competitive manufacturing region. SWI-MA provides a forum for plant managers from various industry sectors to address issues impacting their operational competitiveness. As of spring 2019, the organization boasted a 88-member roster.

BUSINESS AMENITIES

Business Parks:
**Sky Ranch Business Center:** Mixed use commercial/industrial development in East Caldwell with easy access to Highway 20/26 and Interstate 84, this 300+ acre park is immediately north of the Caldwell Industrial Airport and is the magnet site for FTZ 280.

In 2018, more than 200,000 square feet of industrial business moved to Sky Ranch, bringing hundreds of jobs to Caldwell. As a result, manufacturing has added more jobs than any other sector and is growing at three times the rate of economic development in the city as a whole.

**Industrial Way Business Center:** Industrial Park visible from I-84, providing land and infrastructure suitable for small and medium sized industrial development.

**Highway 19 Manufacturing Corridor:** West of Caldwell along Highway 19, large lots, with rail, to accommodate light and heavy manufacturing.

**University of Idaho Food Technology Center and Business Incubator:** The Food Tech Center is a 7,000 square foot licensed food processing facility located adjacent to the 22,000 square foot University of Idaho Business and Technology Incubator. The Center specializes in small-scale food processing for food entrepreneurs, and also provides expertise and facilities to accommodate large companies’ pilot plant research and development needs.

**Department of Labor Office in Sky Ranch:** Located in Caldwell’s Sky Ranch Business Center, this State agency offers workforce development training, job placement, and numerous other opportunities for business employment.
LOCAL INCENTIVES

In addition to the state of Idaho business incentive programs, the City of Caldwell offers a number of local incentives to provide opportunity for basic-sector employers, including:

- Caldwell Urban Renewal Agency’s Job Creation Grant
- Capital Investment Property Tax Exemption (through the Canyon County Commission)
- Industrial Revenue Bonds (through the Caldwell Industrial Development Corporation)
- Foreign-Trade Zone (through the Southwest Idaho Manufacturers’ Alliance)
- Caldwell Urban Renewal Agency Tax Increment Financing (TIF) program
- Caldwell Urban Renewal Agency-owned land for manufacturing

Caldwell Industrial Airport:

The busiest airport in Idaho, the Caldwell Industrial Airport runway is 5,500 feet long by 100 feet wide. The FAA Master Plan for the Airport calls for an extension that will extend the runway length to 6,800 feet. Caldwell also serves as the designated reliever for the Boise Airport, providing additional capacity to base general aviation aircraft.

Businesses operating at the airport include: flight training, aircraft maintenance, restoration, aircraft rental, charters, aviation fuel, sky-diving, aerial photography, and a café.

Caldwell Airport’s new Hubler Terminal Building is a 9,000 square foot facility consisting of a manager’s office, two leasable offices, two conference rooms, a large lobby, and a large pilot’s lounge with a flight planning station.
TRAVEL AND ACCESSIBILITY

The state of Idaho has made a huge investment in transportation infrastructure in the Caldwell community.
