**FOR IMMEDIATE RELEASE**

The Caldwell Youth Master Plan Committee is now finalizing plans for the 7th Annual Caldwell Youth Forum to be held Wednesday September 11, 2019 and hosted at The College of Idaho.

The goal of the Youth Forum is to bring together 85 students from 8 local high schools to provide training in how they can make positive changes in their world. The Forum training targets the ways and means to make this happen, encouraging teens to step out of the shadows, shake off the “bystander” role and work with peers to get things rolling.

We would like to say a special THANK YOU to our financial sponsors and community partners. They provide the foundation for this annual event, and we greatly appreciate their faithfulness in contributing to our youth.
