

With the rising concern surrounding COVID-19 please know that the City of Caldwell Planning and Zoning office is actively engaged in prevention efforts and maintaining a high level of service to our citizens. In the interest of the safety and well-being of each of our citizens, the Planning and Zoning office has elected to reschedule hearing cases in April to a date TBD. A virtual solution is being explored for future hearing dates. A full statement has been released by the City, which you can find here <https://www.cityofcaldwell.org/.../Compon.../News/News/261/331...>

The City of Caldwell continues to cooperate with federal, state and local governments and health care institutions to stay up to date on important information and preventative practices. The best way to prevent illness is to avoid being exposed and to practice social distancing. Other important practices include washing your hands often, covering coughs and sneezes, staying home if you are sick, wearing a face mask only if you are sick, and cleaning frequently touched surfaces with bleach wipes or a sanitizing spray.

ATTN: Due to COVID-19, all City buildings are currently closed to the public. We are still open for business. We are here to serve you via email, phone, or electronic submittal
