

2020 Chip Sealing: Beginning on May 1 until June 30, 2020, subject to weather conditions, the Caldwell Street Department will be performing street maintenance, such as sweeping, flushing, patching, and seal coating. Seal coating will begin June 1, 2020. The first area affected will be 10th Ave from I-84 to Cleveland. The area from Ash Street South to Ustick with Farmway Road being our West Border and the East border will be College Avenue. Time and resources pending, the area would be expanded with the same North and South boundary but, will proceed beyond College Avenue, East to Indiana Avenue.

Please watch for trucks, rollers, other heavy equipment & flagging personnel directing traffic. “No Parking” signs will be posted on streets to be seal coated up to 2 days prior. All vehicles and all inoperative vehicles, boats, trailers, basketball hoops, trash cans etc. must be removed from the street as soon as possible when the “No Parking” signs are posted. If not removed from the street they will be towed at owners’ expense. For further information regarding street maintenance, please contact Caldwell Street Department at 455-3072.
