

Construction Ahead

21st Avenue Improvement Project

21st Avenue will be closed from Arthur Street to Cleveland Boulevard throughout March - May. Traffic will be detoured around the construction zone.

Project Overview

The City of Caldwell will reconstruct 21st Avenue between Indian Creek Bridge and Cleveland Boulevard. The project will widen 21st Avenue to four lanes and a sidewalk within the existing right-of-way. The project will be constructed in phases to minimize impacts to the public. Construction of Phase 1 will begin Monday, March 6.

Road Closure

To minimize long-term traffic impacts and accelerate construction, 21st Avenue will be closed from Arthur Street to Cleveland Boulevard for approximately two months (March - May). Traffic will be detoured. See *Detour Map*.
