**PRESS RELEASE**  
**DATE: 04/03/17**

---

**FOR IMMEDIATE RELEASE**

It is anticipated that starting on Monday, April 10, 2017 Main Street will be closed from 6<sup>th</sup> Avenue to 7<sup>th</sup> Avenue due to the relocation of a sewer main as a part of the redevelopment of the 600 Block of Main Street in Downtown Caldwell.

The scope of the project includes the redirection of the sewer line starting at the 6th Avenue alley, down Main Street, ending at the connection into the existing sewer manhole at 7th Avenue. The project is expected to be completed by May 1, 2017.

Local business access will stay open for pedestrian traffic. However, motorists will have to use the alley on the south side of the railroad tracks for deliveries. The parking lot on Main Street and 6<sup>th</sup> Avenue will be open during construction.

We apologize in advance for any inconvenience that you may experience during the construction process. For questions, please contact Sajonara Tipuric at 455-4679.
