

NEWS RELEASE
Traffic Report

July 11, 2017
FOR IMMEDIATE RELEASE

On July 19 for an approximate 6 hour duration in the late evening/early morning hours, there will be signal work and lane reconfiguration on 10th Avenue between Blaine Street and Dearborn Street. 10th Avenue will remain open with flaggers directing traffic. The construction will result in a slightly different lane configuration aimed toward improving traffic circulation in the area.
